Greetings Cimarron Families!!

Halloween is fast approaching and we want to make sure everyone is aware of the expectations. This year, we will have the Harvest Celebration on Friday, November 1st. Please do not send or wear any costumes to school on October 31st. However, students are allowed to wear their costumes to school on November 1st. Students must wear underclothes and real/appropriate shoes, as well as be able to function in their costume during the school day. In addition, according to school policy and LAUSD policy, students are not to wear gory costumes that depict either horror scenes and/or scary and violent characters. No blood, toy knives or weapons are acceptable as a part of a costume. Some costumes to avoid are Freddie Kruger, Jason, Scream, demons/devils, and scary clowns. For safety, no wheels of any kind are allowed on campus. Additionally, costumes should be modest and appropriate for elementary school children.

Our costume parade will take place on our main yard, around the track. The parade/costume contest will start at 1:15. Also, in the morning, classrooms will have an opportunity to trick-or-treat through the library where they will receive Halloween treats. In order to receive a variety of treats, each grade level is assigned items to donate. Please bring individually wrapped items, by October 31st, to the Main Office. See assignments below.
